

British Society for Research into Learning Mathematics
 New Researchers' Day Conference
 Friday, 20th June, 2008
 University of Chichester, Bognor Regis Campus

The BSRLM New Researchers' Day Conference is based in the St Michael's Building at the University of Chichester, Bognor Regis Campus, Bognor Regis, West Sussex PO21 1HR (see <http://www.chiuni.ac.uk/info/HowToFindUs.cfm> for directions). On arrival, please go to the Main reception, which is in St Michael's Building, to register for the conference. Free parking is available on the day to delegates in any of the University Car Parks.

Programme

Each presentation is will be approximately 30 minutes, including 15 minutes for discussion.

Time	Session	Room
9.30-10.00	Arrival, introductions and coffee	Staff Club St Michael's Building
10.00-11.00	Session 1 Presentations 1. Generating mathematical talk in a Key stage 2 mathematics classroom <i>Lyn Wickham, Bidbury Junior School</i> 2. How do mathematics teachers with different pedagogical beliefs use technology in the classroom? – the difficulties encountered in researching this theme! <i>Carol Knights, University of Chichester</i>	Room F4 St Michael's Building
11:00–11:30	Coffee/Tea	Staff Club St Michael's Building
11.30-13.15	Session 2 Invitation plenary <i>Dr Jo Boaler, University of Sussex</i>	Staff Club St Michael's Building
13.15-14.00	Lunch	Refectory (or outside, weather permitting)
14:00-15:45	Session 3 Presentations 1 ITE Students' beliefs about the teaching of primary mathematics <i>Caroline Rickard, University of Chichester</i> 2 An evaluation of a maths programme at high achieving school and the implications for practice in a similar lower achieving school <i>Lin Phillips, Falconbrook Primary School</i> 3. Whole class discussions and the development of meaning in secondary mathematics classrooms <i>Jenni Ingram, University of Warwick</i>	Room F4 St Michael's Building
15:45-16:00	Coffee/Tea and close
